Cod Fish for Ben

When Jen got Ben a red net at the shop, Ben ran to sit on the dock. Then Ben got a big fish in the net. It was a cod fish.

At six p.m., Jen cut the cod fish then put the fish in a big pot. When it was not hot, Ben fed the fish to his pet cat. Did the cat lap up the cod fish in the dish? Yes, it did! Ben did wish to get a lot of fish with his red net!

Meg and Ben Shop

Meg met Ben at the bus. Ben had to get a red pen, but Meg did not wish to shop. Did Meg lack the cash to shop?

Then, Ben did beg Meg to get on the bus and shop with him. Ben did not quit. Thus, Meg got on the bus with Ben - and to the shop it was!

At the shop, Ben was quick. Ben got his pen and a pack of gum for his pal, Meg. Then, Ben and Meg had to jog in the sun and get back to the bus.

Dad and the Ship Job

Beth sat in the sun on a big mat with her mom. A pup sat on Beth's lap. Beth had a can of pop to sip in the hot sun. Dad had a job on a big ship and Beth was sad not to be with him. Beth did wish to get on the ship with Dad.

A Cut Lip

Bill was on a path with his dad when he ran to hop up on a log. Then Bill fell off the log and hit his chin with a whack.

Dad did ask, “Bill, did you cut your lip? I will get the kit to fix it.”

The cut was not too bad. Bill was sad, but did not yell when his dad had to rub a pad on his lip. Then Bill sat on the rock wall and got a hug from his dad.

The Big Hit

Russ has to call his sis, Jill, to get up from a nap. Then Russ and Jill get the bus and rush to the ball game. They pass the mall and get off the bus. Russ has a ball cap on to sit in the hot sun, but Jill does not. Russ does get a hot dog and Jill has a sub. They both get a pop.

The MVP is on deck for his at bat. He does whack the ball with the bat, and Russ and Jill do yell, “Yes!”

It is a big hit and it does fall at the wall. With that run, they shall win, ten to six. On the bus back, Jill does tell Russ, “I had such fun.”

The Box on the Deck

Bill had a ball and Jess had a doll. Bill and Jess did fill the red box with the ball and the doll. Bill shut the box and set it on the deck. Then Dad did call them. He had a dish of eggs and a pot of fish. Dad fed them and then set them off to get into the tub for a bath.

Then Bill and Jess had to check the box on the deck. The red box was not on the deck! This was a shock. The box fell and was on the lot by the dog pen. Bill and Jess got mad at all of this, “When did this box fall? How does a box fall off a deck?”

Bill said, “It was a fox!” but Jess said,
“It was the cat!”

Bill and Jess had to pick up the box and
toss the ball and doll back in the box. Then,
Bill and Jess did run off to bed. Jess said,
“We shall check this box when we get up and
with luck, it will be on the deck!”

Shop at the Mall

Beth and Liz get the bus to go shop at the mall. Miss Nell is at the mall. Nell does have a hug and a kiss for Beth and Liz when they get off the bus.

Beth has to get Mom a red hat and Liz has to get Dad a chess set. The hat and chess set go into a big sack. Then, Miss Nell does get a thin rug for her den. The tax on the rug is a lot!

Beth, Liz, and Nell all want to nab a bit to eat. Nell does tell Liz to get the hash dish, but Liz has a hot dog in a bun.

Nell and Beth have the hash with a dash of dill. The bill is not bad for all that nosh.

At six p.m., Beth and Liz shall set off to get the bus. Beth and Liz do not wish to miss it. They do not want to jog back and lug the big sack!

A Bad Call

It was fall with a bit of a chill. Rich got a cab to a pub in the mall and met his pal, Jill. Rich and Jill sat at the back wall to see a ball game on the big TV. Jill was mad at the ref. “The gall of you! The fix is in and that is a bad call.”

Rich said the call was not bad. With the lack of a big pass, Jill had to quell a sob, but Rich did yell, “Yes!” The game was not dull! It was all in good fun, and Jill did not get into a big huff. Yet, with a ten to six loss, Jill was sad.

Then they met Jess and Rob. Jess got them a chip dip with dill. Jess had cash for the bill. They all had a chat and then got up to hug and kiss. Jill said, “Shall we go?”

Jill had such fun with Rich, Jess and Rob. All in all, she was not so sad about the loss or the bad call by the ref!

Zip the Pup

A pup was in the shop at the mall. The pup had a lot of pep and Beth did want to get him for a pet. Beth made a call to Jeff, but Jeff did not want a dog. Beth was sad and had to nag Jeff.

When Jeff did run to the mall to get the pup, Beth had to kiss him. Beth said to the pup, “I will call you Zip.” Then Beth had a ball to toss to Zip, and the pup did run in a mass of mud to get it. Now Zip was full of vim and muck! Beth had to fill the tub and lug Zip into his bath. Then Zip had a nap on a mat in the hall.

Pam and the Jam

Dad is a big fan of jam. Pam said, “I will get some jam for you.” She ran to the shop by the mill, but it did not have the jam.

Then Pam ran to tell Liz, “I am in a fix and need jam for Dad.” Liz did not have jam as well. She said, “Pam, can you sit and chat for a bit?” Pam said that she had to rush off to get the bus to a big shop that will have the jam. Pam had cash for the jam, then it was back to the bus.

When Dad had the jam with his ham, he said “Yum!” Then he had a big hug for Pam.

The Tan Duck

A tan duck ran to sit on the dock. Did the duck want to go for a dip and get wet? He did not. He did not want to get wet!

The duck sat in the sun. He had a nap but his back got hot. The duck got up and then a tall man did jog up to the back of the dock. When the man ran, he fell and hit the top of the dock with a bam! The tan duck got off the dock quick. You know what? He could not help but get all wet now! The duck hid by a dam for a bit. The man ran off and got in his van. The duck did not get back up on the dock. It set off to get a fish or a bug.

Chess with Dan?

Pam is a fan of chess and will want Dan to lug the chess set into the den. Pam will call Dan to set it up. He does want to play chess, but she can be a bit of a boss and Dan will fuss.

Dan does not want to shun Pam and he can set up the chess set quick. He will tell her that he will play chess if she does zip her lip. He does tell Pam, “You are not the boss of me and I am set to quit if you yell or pick on me!”

Pam is O.K. with all of this, as she is a fan of Dan. Pam and Dan are now set to play chess and have fun.

A Bad Tan

Dan had to go to his doc for a quick check. The doc said he did not want Dan to get a tan, “It is bad for you when you are red and then get tan. You can get sick if you sit in the hot sun to get a tan. A tan is just a fad.”

The doc did tell Dan, “Get a big hat to put on when you are in the sun. A mesh hat will not do. It has to be a thick hat to shun the sun.”

The doc then said, “Do not sit on a deck in the sun at one p.m. Do not jog in the hot sun or fish on the dock. You can do all of that at six p.m. when the sun is not as hot!”

A Win for Nick's Fans

The fans yell for Nick when he gets up to bat, “We want a run!”

Both teams have one run. Can he get a big hit to win the game? He misses one ball, but his fans are not sad. Then he hits the next ball with a whack and he runs as quick as he can! He does want to run all the way and add a run to the sum.

Yes! He does it! His fans go mad and they do yell, “Nick, Nick!” as he tips his cap.

Dan and His Pets

Dan wishes he had lots of pets. He does have one cat, Jed, and one dog, Max. Both pets are lots of fun.

When Jed has a ball, Max runs to get it. Then Max wags and yips. When Jed gets mad, he hisses at Max. Then Max gets sad, and Dan has to pet him. When Max gets into the cat's dish, Dan does tell him, "That is bad for you. Sit on your mat."

Dan runs to the pet shop to get food for his pets so they will get fed. At the shop, Dan does want to get more pets. He calls his dad to tell him the shop has fish, a pig, and ten cats. As Dad does not want a new pet, he tells Dan, “Jed and Max are your pets. We do not want one more from the shop.”

The Shack Has Rot

Nick has a shack in back of his house.

Nick and his pals have fun in the shack, but the walls are bad and moss has set in. They want to have bags of chips with cans of pop in the shack, but it is all wet in the shack.

Nick tells his pals that they can have the chips and pop in his den, but the den is not fun.

Then Nick begs his dad to fix his shack.

Dad will get rid of the rot and the moss on the walls, but he does want Nick and his pals to help. When Dad fixes the walls, the shack will be all set and not one of them will get wet.

Nick's dad gets his kit from the hall and sets off to do the job to fill the gaps in the walls of the shack. Then he gets rid of the moss. Dad yells to Nick and his pals to tell them the shack is all set. The kids can go back and sit in it and not get wet at all. They will have fun!

Hot Dogs and Pops

Sam sells both hot dogs and pops from his van. Moms, dads, and kids all want to have dogs and pops.

When the sun is hot, kids hit balls and run. Then they want to sip on pop. When they do pick up a lot of pop at the van, Sam gets lots of cash.

If the sun is not out, not one kid gets pop. When Sam does not sell lots of hot dogs or pops from his van, he does not get much cash. That is bad for Sam, so he shall wish for the sun.

Max Quits and Quits

Max is a man who quits jobs on a whim. When a boss tells him not to be lax, he gets mad from this and quits. If a boss does want him to fix a big mess, he quits. If a boss mocks or nags him, Max quits. When Max wishes to go to the mall with his chums, he quits as well.

All of this is both sad and bad for Max. He will not have even one buck for his bills, nor will he get rich. So, if Max lacks cash, I ask you this, “How shall Max have fun with his pals at the mall?”

Beds for the Kids

Dan is at the shop to get new beds for his kids. They have the beds that he wants to get. He gets his bill for the beds and the sum with the tax is a lot of cash. The man at the shop lugs both beds into Dan's van. They fit!

Dan zips off so he can set up the beds. The kids are with Mom, but they will be back from their run at one. Dad has to rush to get the beds set up. There are a lot of bits and pins that go with the beds, but he is a quick man.

Dad bashes his leg on a big peg, but he gets the beds set up in time. The kids come in and they are in shock. They yell as they fall on the beds. Then, the kids run to hug Dad and Mom.

On the Job with Bill

When Bill gets to his job, he has lots to do. He picks up boxes and bins, fills them, and then ships them. His boss tells him to get a pen and a pad. They have to ship ten boxes of pens to a shop at the mall. Bill tucks all the pens in the boxes and lugs them into the hall for the rig to pick up.

Bill gets calls from six shops, so he does not lag. He jots on his pad. They are for his boss, but he will log the calls. The shops tell him what they want them to ship. He gets faxes that tell him what to ship, as well.

Bill quips to his boss that they have much to do. They both pack all the boxes for the shops. Then Bill tells his boss that he is all set, gets his hat, and rushes off to the bus.
